

1519 Aztec Arrivista

“I want to make sure to register my full support for Zapotec Power
With respects to Mixtec Power, derived from Toltec Power
Transposed from Mayan Power, indebted to Totonac Power
Taking a page from Olmec Power
When given the chance to validate Tarascan Power in the Present
And defer to the rising Chichimec Power
In alliance with the Cholulan Complex
Six hundred years of illicit Serpentine Sex
Atop the Teotihuatecan Simplex”
